Plaza Oaks Pool is the neighborhood center for summer fun!

Our 25 meter outdoor pool has a 10 ft. deep-end, a diving board and slide. It is perfect for recreational swimming and splashing. The toddler pool is conveniently located nearby under permanent, shaded cover.

The pool is open to adult members for early morning exercise, and children are welcome during pool hours -- weekends in May and September, and daily (except Mondays) in the summer. In addition, Plaza Oaks Pool hosts several exciting summer league swim meets (off-hours in June), and newcomers are always invited to join our team!

Our ample grounds feature tennis and basketball courts, children's play equipment, an outdoor grill pavilion and plenty of comfortable spots to sit and visit with neighbors and friends. For an additional fee, our members may reserve part or all of the grounds for private events.

Plaza Oaks Pool encourages members to mix and mingle by hosting annual parties for families and adults. Join the pool to meet your neighbors and make new friends, then stop by any time for an impromptu gathering. You're sure to know someone at the pool!

New Members are Welcome!

New members are always welcome at Plaza Oaks Pool. Invite your friends and neighbors to join "the cool pool," where summer fun reigns. Our membership boundaries are Beltway 8, Buffalo Bayou, Wilcrest and I-10, but you can recommend your friends for membership even if they live outside our boundaries.

Family memberships are \$375 per year and are due each April 1 (membership fee and/or due date are subject to change). Our new member initiation fee is \$100 (initiation fee is subject to change). This one-time initiation fee goes to the Capital Improvement Fund for upkeep and upgrades to Plaza Oaks Pool facilities.
